

Logging In with a Mentor Account

[Video on Setting up your Profile and Workflow](#)

Logging into PartQuest with your single sign-on [Mentor.com](#) account allows you full access to all of PartQuest's features. After logging into PartQuest with your Mentor.com account, you will then need to [select your desktop integration method](#). Provided that your browser is set to accept cookies, your Dropbox account will remain linked upon subsequent login sessions.

If you already have an account at Mentor.com, click **Log In** at the top right corner of the page and provide the email and password you registered with. If you've forgotten your password, you can retrieve it [here](#). Before continuing, please remember to disable any cookie blockers and enable cookies for the PartQuest site. Otherwise, PartQuest will not work properly.

Getting Started
Step 1 of 2: Log in with your Mentor.com account

Email *
